

INDOOR GOLF CENTERS

High Definition Golf™ from Interactive Sports Technologies is the world's most amazing photo-realistic golf simulator. Advanced stereoscopic computer vision provides extremely accurate ball tracking and trajectory analysis. It is the only virtual golf system that looks absolutely real; like you are actually on the golf course. Play the world's finest golf courses, practice all types of shots with a wide selection of practice ranges, and compete in long drive and closest-to-pin contests.

High Definition Golf™ is the perfect choice for indoor golf centers as it provides the following benefits and advantages:

- High resolution, photo-realistic championship golf courses – “Looks & plays like the real thing”
- Extremely accurate ball tracking & trajectory analysis
- Clubface contact & swing-path measurement
- Ideal for league play, long drive/closest to the pin contests, tournaments, golf lessons.
- Generates revenues – rent at \$30 - \$40/hr and offer memberships
- Integrated professional teaching & club-fitting accessories including IST launch monitor & swing analyzer
- Supervisory station and back office software to monitor multiple simulators, manage league play, print score cards, etc.
- On-screen advertising to promote items such as golf lessons, league play, events & contests, food & beverage specials.
- Opportunity for increased revenue from on-screen advertising
- High quality components including premium computer workstation, high brightness/contrast HDTV compatible projector & high-tech screen
- Very easy to use
- High reliability & virtually maintenance-free
- Attractive financing plans available
